

Skin-matology Glow Serum

A powerful brightening and hydrating serum with 10% Vitamin C, 3% Niacinamide, Hyaluronic Acid, Liquorice Root and Rice Bran Oil.

A powerful brightening and hydrating serum formulated with 10% Vitamin C, 3% Niacinamide, 1% Hyaluronic Acid, 1% Liquorice Root and Rice Bran Oil to promote a radiant, refreshed and more even-looking complexion. This antioxidant-rich formula helps support skin hydration while improving the appearance of dullness and uneven skin tone, leaving the skin with a healthy, luminous glow. For enhanced hydration and barrier support, use alongside the Skin-matology Niacinamide & Hyaluronic Barrier Support Serum. Suitable for morning and evening use — use at night only for the first 5 days, thereafter morning and night. During the day, follow with Skin-matology HydraShield SPF 50.
