

Skin-matology Revive & Lift Moisturiser

An advanced anti-ageing moisturiser formulated to nourish, hydrate and support firmer, smoother-looking skin.

An advanced anti-ageing moisturiser formulated to nourish, hydrate and support firmer, smoother-looking skin. Enriched with ceramides, peptides, hyaluronic acid and granulated retinol, it helps strengthen the skin barrier while promoting a refreshed, youthful-looking complexion. Use morning and night after your serum. In the morning, follow with Skin-matology HydraShield SPF 50 for daily broad-spectrum sun protection.
